## **What Your Ticket Actually Provides:**

RSVP Enid has been a team member of the Garfield County Elder Abuse Multidisciplinary Team since it started in 2018. This team is led by District Attorney, Mike Fields, and includes: Enid Police Department, Enid Fire Department, OSBI, Adult Protective Services, St. Mary’s Hospital, Integris Bass Hospital, numerous banks, and home health agencies. When there is a senior need, we respond.

Together, we have helped save the lives of seniors who were facing life threatening and real time critical situations. This task force has saved seniors who were on the brink of starvation, who have been abused, neglected physically or financially, those who have been victims of fraud and left with absolutely nothing in their homes. We have seen seniors who have had no food, no water, no heat or air, no family support, no idea how to get out of this life threatening situation. This task force provides help, hope and a new chance at life. Our emergency funding is used to help each call we receive.

We are able to respond to emergent calls regarding food insecurity, elder abuse, unsafe living conditions, mental health crises, among others, so quickly without fear of lack of resources because of your constant belief and giving. Being the referral agency that many other area agencies make to those facing all or some of these circumstances has increased the number of seniors we come face to face with each month, all with their own story, their own heartbreak, their own worries. We can respond and help them navigate to a brighter future because of your giving hearts! Thank you for making those brighter days possible!

### HOW THE LIP SYNC BATTLE WORKS:

RSVP of Enid's Lip Sync Battle event is modeled after Spike TV's hit show, "Lip Sync Battle" and the *Tonight Show* host, Jimmy Fallon's frequent lip sync challenges. We will premiere up to 15 acts. Performers (individuals or teams) select their favorite song and perform their version; along with their own costumes and props. Each act gets up to 4 minutes to wow the audience and judges.

We will have a panel of celebrity judges to help cast their vote to determine who the top 3 winners will be!

The performers with the top 3 scores will receive cash prizes and bragging rights for the entire year!

**Prizes will be awarded to first, second, third place and audience vote!**
